

Hello, I am Cristina, your child's Key Worker at Evelina Hospital School!

I will:

- Be a point of contact for your child, your family, the medical team and your child's home school.
- Monitor your child's wellbeing and academic progress and make sure that they have suitable and challenging activities.
- Share information with staff who work with your child, so that they can do their best for them.

It would be great if you contact me before your child comes to Evelina Hospital School or if you pass on my details to your child's teacher.

You can contact me on:
