

Pupil Premium Report 2017/2018

Due to the mobile population of the school, most of our pupils are only present for short stays, but we do receive an allocation for those long-term pupils who are eligible for FSM. We adopt a flexible approach to ensure the Pupil Premium allocation is used to maximum effect to support our pupils whilst they are with the school.

	Pupil Premium Allocation	Pupil Premium Expenditure
2016/2017	£0.00	£0.00
2017/2018	£7,480	£7,480
2018/2019	£7,480 (approximate)	£0.00

Impact	
<p>The Pupil Premium grant allowed the school to offer a range of curriculum enrichment activities which proved successful in developing children’s confidence, and in boosting self-esteem leading to accelerated progress in lessons. The use of the Pupil Premium grant in subscribing to the Adopt a Chef programme for instance contributed to the positive attitude towards food for children on Dialysis and their restricted diet.</p> <ul style="list-style-type: none"> • Increased pupil well-being • Allowed pupils to develop independence • Encouraged a pro-active approach to self-care • Provided access to stimulating and enjoyable activities for pupils in difficult surroundings • Supported families by facilitating relaxed and engaging experiences • Supported inclusion and increased participation • Increased social interaction.
