

Introduction

Preamble

Online-safety risks are traditionally categorised as one of the 3 Cs: Content, Contact or Conduct (identified by Professor Tanya Byron's 2008 report "Safer children in a digital world"). These three areas remain a helpful way to understand the risks and potential school response, whether technological or educational. They do not stand in isolation, however, and it is important to understand the interplay between all three.

The LGfL DigiSafe 2018 pupil survey of 40,000 pupils identified an increase in distress caused by, and risk from, content. For many years, online-safety messages have focussed on 'stranger danger', i.e. meeting strangers online and then meeting them face to face (contact). Whilst these dangers have not gone away and remain important, violent or sexual content is now prevalent – sending or receiving, voluntarily or coerced. Examples of this are the sharing of violent and sexual videos, self-harm materials, and coerced nudity via live streaming. Contact and conduct of course also remain important challenges to address.

At Evelina Hospital School we are committed to playing our part in keeping children safe in all aspects of their learning and contributing to their awareness of ways in which they can keep safe and act responsibly. This comprehensive policy is intended to be used to guide this process and is underpinned by our school values:

We value beauty: Beauty is a quality that runs through our work

We value childhood: Childhood is unique and precious

We value time: We make good use of time

We value social justice: All children have the right to be educated and to be heard

Overview

Aims

This policy aims to:

- Set out expectations for all Evelina Hospital School community members' online behaviour, attitudes and activities and use of digital technology (including when devices are offline)
- Help all stakeholders to recognise that online/digital behaviour standards (including social media activity) must be upheld beyond the confines of the school gates and school day, and regardless of device or platform
- Facilitate the safe, responsible and respectful use of technology to support teaching & learning, increase attainment and prepare children and young people for the risks and opportunities of today's and tomorrow's digital world, to survive and thrive online
- Help school staff working with children to understand their roles and responsibilities to work safely and responsibly with technology and the online world:
 - for the protection and benefit of the children and young people in their care, and
 - for their own protection, minimising misplaced or malicious allegations and to better understand their own standards and practice
 - for the benefit of the school, supporting the school ethos, aims and objectives, and protecting the reputation of the school and profession
- Establish clear structures by which online misdemeanours will be treated, and procedures to follow where there are doubts or concerns (with reference to other school policies such as Behaviour Policy or Anti-Bullying Policy)

Further Help and Support

Internal school channels should always be followed first for reporting and support, as documented in school policy documents, especially in response to incidents, which should be reported in line with your Safeguarding Policy. The DSL will handle referrals to local authority multi-agency safeguarding hubs (MASH) and normally the Headteacher will handle referrals to the LA designated officer (LADO). The local authority support organisations you work with may also have advisors to offer general support.

Beyond this, reporting.lgfl.net has a list of curated links to external support and helplines for both pupils and staff, including the Professionals' Online-Safety Helpline from the UK Safer Internet Centre and the NSPCC Whistleblowing Helpline, as well as hotlines for hate crime, terrorism and fraud which might be useful to share with parents, and anonymous support for children and young people.

Scope

This policy applies to all members of the Evelina Hospital School community (including staff, governors, volunteers, contractors, students/pupils, parents/carers, visitors and community users) who have access to our digital technology, networks and systems, whether on-site or remotely, and at any time.

Roles and responsibilities

This school is a community and all members have a duty to behave respectfully online and offline, to use technology for teaching and learning and to prepare for life after school, and to immediately report any concerns or inappropriate behaviour, to protect staff, pupils, families and the reputation of the school. We learn together, make honest mistakes together and support each other in a world that is online and offline at the same time.

Headteacher

Key responsibilities:

- Foster a culture of safeguarding where online safety is fully integrated into whole-school safeguarding
- Oversee the activities of the designated safeguarding lead and ensure that the DSL responsibilities listed in the section below are being followed and fully supported
- Ensure that policies and procedures are followed by all staff
- Undertake training in offline and online safeguarding, in accordance with statutory guidance and relevant Local Safeguarding Children Board (LSCB) guidance
- Liaise with the designated safeguarding lead on all online-safety issues which might arise and receive regular updates on school issues and broader policy and practice information
- Take overall responsibility for data management and information security ensuring the school's provision follows best practice in information handling; work with the DPO, DSL and governors to ensure a GDPR-compliant framework for storing data, but helping to ensure that child protection is always put first and data-protection processes support careful and legal sharing of information
- Ensure the school implements and makes effective use of appropriate ICT systems and services including school-safe filtering and monitoring, protected email systems and that all technology including cloud systems are implemented according to child-safety first principles
- Be responsible for ensuring that all staff receive suitable training to carry out their safeguarding and online safety roles
- Understand and make all staff aware of procedures to be followed in the event of a serious online safeguarding incident
- Ensure suitable risk assessments are undertaken so the curriculum meets needs of pupils, including risk of children being radicalised
- Ensure that there is a system in place to monitor and support staff (e.g. network manager) who carry out internal technical online-safety procedures
- Ensure governors are regularly updated on the nature and effectiveness of the school's arrangements for online safety
- Ensure the school website meets statutory DfE requirements (see appendices for website audit document)

Designated Safeguarding Lead (DHT) & Online Safety Lead (HT)

Key responsibilities (remember the DSL can delegate certain online-safety duties, e.g. to the online-safety coordinator, but not the overall responsibility; this assertion and all quotes below are from Keeping Children Safe in Education 2018):

- “The designated safeguarding lead should take lead responsibility for safeguarding and child protection (including online safety).”
- Where the online-safety coordinator is not the named DSL or deputy DSL, ensure there is regular review and open communication between these roles and that the DSL’s clear overarching responsibility for online safety is not compromised
- Ensure “An effective approach to online safety [that] empowers a school or college to protect and educate the whole school or college community in their use of technology and establishes mechanisms to identify, intervene in and escalate any incident where appropriate.”
- “Liaise with the local authority and work with other agencies in line with Working together to safeguard children”
- Take day to day responsibility for online safety issues and be aware of the potential for serious child protection concerns
- Work with the Headteacher, DPO and governors to ensure a GDPR-compliant framework for storing data, but helping to ensure that child protection is always put first and data-protection processes support careful and legal sharing of information
- Stay up to date with the latest trends in online safety
- Review and update this policy, other online safety documents (e.g. Acceptable Use Policies) and the strategy on which they are based (in harmony with policies for behaviour, safeguarding, Prevent and others) and submit for review to the governors/trustees.
- Receive regular updates in online safety issues and legislation, be aware of local and school trends
- Ensure that online safety education is embedded across the curriculum (e.g. by use of the UKCCIS framework ‘Education for a Connected World’) and beyond, in wider school life
- Promote an awareness and commitment to online safety throughout the school community, including parents wherever the setting allows, as they are often appreciative of school support in this area
- Communicate regularly with SLT and the designated online safety governor to discuss current issues (anonymised), review incident logs and filtering/change control logs and discuss how filtering and monitoring
- Ensure all staff are aware of the procedures that need to be followed in the event of an online safety incident, and that these are logged in the same way as any other safeguarding incident
- Oversee and discuss ‘appropriate filtering and monitoring’ with governors and ensure staff are aware If you use LGfL filtering, view the appropriate filtering statement [here](#)
- Facilitate training and advice for all staff:
 - cascade knowledge of risks and opportunities throughout the organisation
 - cpd.lgfl.net has helpful CPD materials including PowerPoints, videos and more

Governing Body, led by Online Safety & Safeguarding Link Governor

Key responsibilities (quotes are taken from Keeping Children Safe in Education 2018):

- Approve this policy and strategy and subsequently review its effectiveness, e.g. by asking the questions in the helpful document from the UK Council for Child Internet Safety (UKCCIS) [Online safety in schools and colleges: Questions from the Governing Board](#)
- “Ensure an appropriate senior member of staff, from the school or college leadership team, is appointed to the role of DSL [with] lead responsibility for safeguarding and child protection (including online safety) [with] the appropriate status and authority [and] time, funding, training, resources and support...”
- Support the school in encouraging parents and the wider community to become engaged in online safety activities
- Have regular strategic reviews with the online-safety co-ordinator / DSL and incorporate online safety into standing discussions of safeguarding at governor meetings
- Work with the DPO, DSL and Headteacher to ensure a GDPR-compliant framework for storing data, but helping to ensure that child protection is always put first and data-protection processes support careful and legal sharing of information
- Monitor the delivery of staff training through participation in the safeguarding audit by the local authority
- Be aware of the school systems for filtering and monitoring online content
- Have oversight of the delivery of curriculum offer for online safety as part of safeguarding

All staff

Key responsibilities:

- Read and sign the school’s acceptable use policy
- Understand that online safety is a core part of safeguarding; as such it is part of everyone’s job – never think that someone else will pick it up
- Know who the Designated Safeguarding Lead (DSL) and Online Safety Lead (OSL) (DSL) and (Online Safety Lead) are
- Read and follow this policy in conjunction with the school’s main safeguarding policy
- Record online-safety incidents in the same way as any safeguarding incident and report in accordance with school procedures.
- Understand that safeguarding is often referred to as a jigsaw puzzle – you may have discovered the missing piece so do not keep anything to yourself
- Sign and follow the staff acceptable use policy and code of conduct/handbook Y:\3. Handbook\Staff Handbook 2018-2019\Safeguarding Children Staff Code of Conduct 2015.doc
- Notify the DSL/OSL if policy does not reflect practice in your school and follow escalation procedures if concerns are not promptly acted upon

Online-Safety Policy (e-safety)

- Identify opportunities to thread online safety through all school activities, both outside the classroom and within the curriculum, supporting curriculum/stage/subject leads, and making the most of unexpected learning opportunities as they arise (which have a unique value for pupils)
- Whenever overseeing the use of technology (devices, the internet, new technology such as augmented reality, etc) in school or setting as homework tasks, encourage sensible use, monitor what pupils/students are doing and consider potential dangers and the age appropriateness of websites (ask your DSL what appropriate filtering and monitoring policies are in place)
- To carefully supervise and guide pupils when engaged in learning activities involving online technology (including, extra-curricular and extended school activities if relevant), supporting them with search skills, critical thinking (e.g. fake news), age appropriate materials and signposting, and legal issues such as copyright and data law
- Encourage pupils/students to follow the acceptable use guidelines when working unsupervised (e.g. on a laptop on the ward), remind them about it and enforce school sanctions
- Notify the DSL/OSL of new trends and issues before they become a problem
- Ensure good records are kept regarding photo permission and consent for internet use.
- Check permissions before displaying images of pupils
- Work with the GSTT Comms Team to ensure images of pupils in areas outside of the Atrium classrooms are cleared by that team before being uploaded or displayed

PSHE / R(S)E / Health Education Lead/s

Key responsibilities from September 2019 for September 2020 (quotes taken from DfE press release on 19 July 2018 on New relationships and health education in schools):

- As listed in the ‘all staff’ section, plus:
- Embed consent, mental wellbeing, healthy relationships and staying safe online into the PSHE / RE / RSE curriculum, “complementing the existing computing curriculum – and how to use technology safely, responsibly and respectfully. Lessons will also cover how to keep personal information private, and help young people navigate the virtual world, challenge harmful content and balance online and offline worlds.”
- Work closely with the DSL/OSL and all other staff to ensure an understanding of the issues, approaches and messaging within PSHE / RE / RSE

Computing Curriculum Lead

Key responsibilities:

- As listed in the ‘all staff’ section, plus:
- Oversee the delivery of the online safety element of the Computing curriculum in accordance with the national curriculum
- Work closely with the DSL/OSL and all other staff to ensure an understanding of the issues, approaches and messaging within Computing
- Collaborate with technical staff and others responsible for ICT use in school to ensure a common and consistent approach, in line with acceptable-use agreements

Subject / aspect leaders

Key responsibilities:

- As listed in the 'all staff' section, plus:
- Look for opportunities to embed online safety in your subject or aspect, and model positive attitudes and approaches to staff and pupils alike
- Consider how the UKCCIS framework Education for a Connected World can be applied in your context
- Work closely with the DSL/OSL and all other staff to ensure an understanding of the issues, approaches and messaging within Computing

Network Manager/technician

Key responsibilities:

- As listed in the 'all staff' section, plus:
- Keep up to date with the school's online safety policy and technical information in order to effectively carry out their online safety role and to inform and update others as relevant
- Work closely with the designated safeguarding lead / online safety lead / data protection officer / LGfL TRUSTnet nominated contact to ensure that school systems and networks reflect school policy
- Ensure the above stakeholders understand the consequences of existing services and of any changes to these systems (especially in terms of access to personal and sensitive records / data and to systems such as YouTube mode, web filtering settings, sharing permissions for files on cloud platforms etc)
- Support and advise on the implementation of 'appropriate filtering and monitoring' as decided by the DSL and senior leadership team
- Report online-safety related issues that come to their attention in line with school policy
- Manage the school's systems, networks and devices, according to a strict password policy, with systems in place for detection of misuse and malicious attack, with adequate protection, encryption and backup for data, including disaster recovery plans, and auditable access controls
- Where appropriate, make use of the LGfL TRUSTnet solutions (which are part of our package). (Sophos Anti-Virus, Sophos Anti-Phish (from Sept 2018), Sophos InterceptX, Sophos Server Advance, Malware Bytes, Egress (from Sept 2018), Meraki Mobile Device Management and CloudReady/NeverWare).

Data Protection Officer (DPO) (Judicium)

Key responsibilities:

Be aware that of references to the relationship between data protection and safeguarding in key Department for Education documents 'Keeping Children Safe in Education' and 'Data protection: a toolkit for schools' (April 2018). The same document states that the retention schedule for safeguarding records may be required to be set as 'Very long term need (until pupil is aged 25 or older)'. On discharge, child protection information and safeguarding concerns are passed to the child's school.

- Work with the DSL, headteacher and governors to ensure frameworks are in place for the protection of data and of safeguarding information sharing as outlined above.
- Ensure that all access to safeguarding data is limited as appropriate, and also monitored and audited

LGfL TRUSTnet Nominated contacts

Key responsibilities:

- To ensure all LGfL TRUSTnet services are managed on behalf of the school in line with school policies, following data handling procedures as relevant
- Work closely with the DSL and DPO to ensure they understand who the nominated contacts are and what they can do / what data access they have, as well as the implications of all existing services and changes to settings that you might request – e.g. for YouTube restricted mode, internet filtering settings, firewall port changes, pupil email settings, and sharing settings for any cloud services such as Microsoft Office 365 and Google G Suite.
- Ensure the DPO is aware of the GDPR information on the relationship between the school and LGfL TRUSTnet at gdpr.lgfl.net

Volunteers and contractors

Key responsibilities:

- Read, understand, sign and adhere to an acceptable use policy (AUP)
- Report any concerns, no matter how small, to the designated safety lead / online safety coordinator as named in the AUP
- Maintain an awareness of current online safety issues and guidance
- Model safe, responsible and professional behaviours in their own use of technology

Pupils

Key responsibilities:

- Know how to report concerns in the context of this setting
- Adhere to the AUP they sign

Parents/carers

Key responsibilities:

Ensure school policies and procedures are followed when asked.

External groups including parent associations

Key responsibilities:

- Any external individual/organisation will sign an acceptable use policy ***prior to using technology or the internet within school***
- Support the school in promoting online safety and data protection
- Model safe, responsible, respectful and positive behaviours in their own use of technology, including on social media.

Handling online-safety concerns and incidents

It is vital that all staff recognise that online-safety is a part of safeguarding (as well as being a curriculum strand of Computing, PSHE, Citizenship and (from September 2019 for September 2020) the new statutory Health Education and Relationships Education (for secondaries: Relationships and Sex Education)).

General concerns must be handled in the same way as any other safeguarding concern; safeguarding is often referred to as a jigsaw puzzle, so all stakeholders should err on the side of talking to the online-safety lead / designated safeguarding lead to contribute to the overall picture or highlight what might not yet be a problem.

School procedures for dealing with online-safety will be mostly detailed in the following policies (primarily in the first key document)

- Safeguarding and Child Protection Policy
- Safeguarding and Staff Code of Conduct Policy
- Anti-Bullying Policy
- Behaviour Policy (including school sanctions)
- Acceptable Use Policies
- Prevent Protocol (outlined in Safeguarding Policy)
- Data Protection Policy, agreements and other documentation (e.g. privacy statement and consent forms for data sharing, image use etc)
