Dear [parent/carer name],

At the Evelina Hospital School we use information about your child in a number of different ways, and we'd like your consent for some of the ways we use this personal data. We set these out in more detail below.

If you're not happy for us to use information in the ways we list below, that's no problem – we will accommodate your preferences.

You can withdraw your consent at any time by emailing [office@evelina.southwark.sch.uk](mailto:office@evelina.southwark.sch.uk) . At that point they will not be used in future publications but we cannot prevent them from continuing to appear in publications already in circulation.

If you have any other questions, please get in touch.

As part of our commitment to processing personal data fairly and transparently, we want to remind you of the consent you may have previously given us and to make sure you're still happy with the ways we use your child's data. If so, we would appreciate you taking the time to give consent again, as we really value being able to use the information in the ways listed below.

## Photos and videos

We sometimes take photographs of pupils. We use these photos to help us to give people an idea of what life at our school is like, for example in the newsletter and on the school website.

Please tick the relevant box(es) below, sign and return this form to school.
